

Fuels & Grid Integration Committee Meeting
Wednesday, September 10, 2014 from 3:15 – 5:00 pm

Meeting Summary

The NASEO Fuels and Grid Integration Committee is the focal point for sharing of state, federal, and private sector activities related to the production, distribution, and consumption of electricity and liquid and gas fuels. The Committee helps to develop policy positions for consideration by NASEO's Board, shares best program and policy practices among the states, supports pilot projects and programs developed by NASEO, the State and Territory Energy Offices, and Affiliate members.
